# About 3HUB

## The Case Management Community

3HUB is a powerful collaboration of independent case managers who use an online platform that offers them a unique, structured and regulated professional community with all the clinical and business support they need to provide an excellent service.

### 3HUB practitioners have full access to clinical and administrative support including:

- peer support and cover for absences such as leave or sickness
- human resources and payroll support
- access to a peer support network and CPD opportunities through regular forums and masterclasses
- access to high quality report and clinical templates
- policies and guidelines for professional and business practice
- resources and support for CQC registration

## Why choose 3HUB?

### Excellence through:

**Community:** 3HUB offers a dynamic, cooperative infrastructure where highly experienced, independent case managers can easily share their knowledge, ideas and training to keep their practice current and relevant.

**Empowerment:** 3HUB provides the structures and support to enable case managers to work and think creatively, to go the extra mile for your client.

**Experience:** 3HUB case managers offer years of clinical experience, often with specialist local knowledge in many areas across the UK.

### Choice through:

**Transparency:** From referral to selection of your case manager you have full access to the case managers' CVs and can communicate directly with them. There are no company gatekeepers which gives your client total choice to find the right match for their needs.

**Integrated human resource and payroll services:** The 3HUB platform provides fully integrated HR and payroll support to its members enabling a rounded service to your clients should staff employment be required.

**Client choice:** 3HUB do not 'own' the client. The therapeutic relationship between case manager and client can endure for as long as all parties are happy for it to continue.

### Reliability through:

**Consistency of service:** 3HUB case managers have access to seamless cover for annual leave and sickness.

**Professional and public liability insurance:** 3HUB case managers are fully insured up to £6 million per claim.

**Robust clinical standards:** 3HUB case managers are registered health professionals and need to meet strict membership criteria to join 3HUB.

**Quality of support:** As independent practitioners and business owners, 3HUB case managers are invested in providing a high-quality service to their clients.

**Governance:** Community auditing to ensure consistency of high quality practice across HUB users.
